

GLOBAL PARTNERSHIPS: KEYS TO UNLOCKING RESOURCE EFFICIENCY & INCLUSIVE GREEN ECONOMIES

Wednesday 13th March 2019
6:00-7:00 pm
Conference 2, UN Complex, Nairobi, Kenya

India is emerging as a shining example of resource efficiency and inclusive green economy solutions. The event will discuss the Government of India experience and main green economy initiatives as well as the role of partnerships in unlocking resource efficiency and greener and more inclusive economies.

OBJECTIVES

- Explore new pathways to sustainability and inclusive green economies;
- Showcase efforts underway in India and around the world to promote resource efficiency;
- Discuss the Government of India's initiatives like the Partnership for Action on Green Economy (PAGE), to achieve sustainable consumption and production.
