PARTNERSHIP FOR ACTION ON GREEN ECONOMY

ENABLE

PAGE

INFORM

INSPIRE
The power of partnerships: PAGE can do more with less.

PAGE is a network of 5 UN Agencies*, 10 Action Partners, & 8 Funding Partners and the wider green economy community working to transform economies and financial systems into drivers of sustainability and social equity.

in 20 countries by 2020

* UN Environment, International Labor Organization, UN Development Programme, UN Industry Development Organization, and the UN Institute for Training and Development
PAGE informs inclusive green economy transition through technical advice, analysis and capacity building.

PAGE is informing the Mongolian banking and finance sectors to develop financial instruments that help achieve national green development targets.
PAGE inspires global change through events and platforms that, among other benefits, connect inclusive green economy champions throughout the world to share success stories, business cases and drive coordination.

DELIVERY AS INSPIRATION

The efforts in Jiangsu have inspired additional provinces in China to undertake inclusive green economy projects at their own cost.
ENABLE
South Africa: Developing a Green Economy Knowledge Platform

Mauritius: Integrating green economy into a plan against poverty & exclusion

Mongolia: Opening up channels for financing green economy transition

Senegal: Developing a National Green Jobs Strategy

South Africa: Developing a Green Economy Knowledge Platform

Peru: Developing green jobs policies at the sub-national level

China: Establishing a network of green industrial parks

Burkina Faso: Pooling expertise and resources with local development partners

Ghana: Aligning national policies with climate commitments

Enabling countries to achieve the Sustainable Development Goals through Inclusive Green Economy
The Partnership for Action on Green Economy supports nations and regions in addressing one of the most pressing challenges of the 21st century: transforming their economies into drivers of sustainability and social equity.
